It's Been Quite a Ride

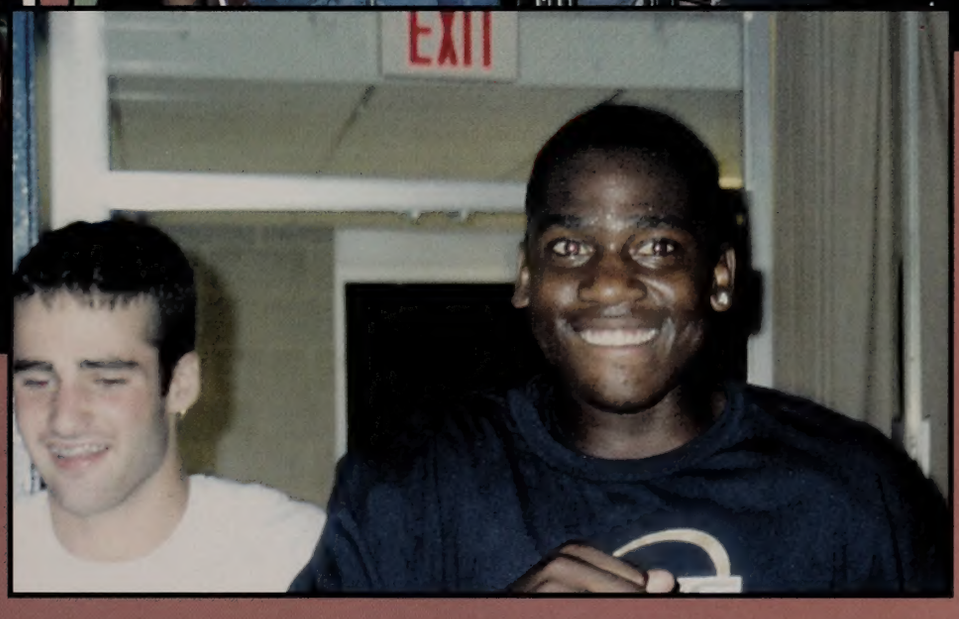
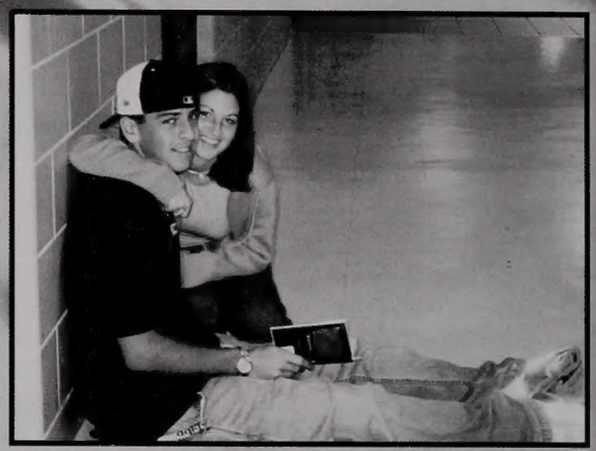
It's Been Quite A Ride
these past four years,
With friendships,
memories, smiles, and
tears.
Our rides kept in
motion--sometimes
fast,
sometimes
slow,
Holding close
the memories
wherever we
go.
We've gone
up and
down,
twisted,
and turned,

It's Been Quite a Ride

Through all our experiences we've erred and learned.
We couldn't wait to move on just as we began,
Now it's so hard to go from the past four-year span.
It's time to move forward with lessons as our guide,
And whatever we do,
It Will Be Quite A Ride!



Student Life



<u>It's Been Quite A Ride</u> through our years at
Sharon High,
Our many adventures have surely flown
by.
Football games were never a bore,
And at dances everyone hit the floor!
Halloween was such a blast,
It brought out the creativity of every class.
The semi-formal and proms were
incredible too,
Through it all we surely grew.
From sports to clubs to great school
plays,
Our wild ride took us through these days.
Now as our ride is just about through,
We know we will never forget the
adventures
of the year
2002.

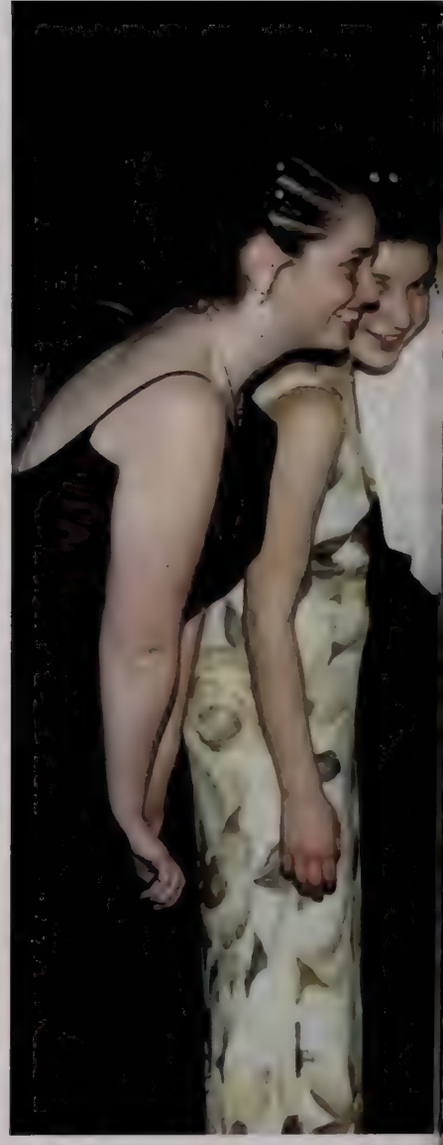
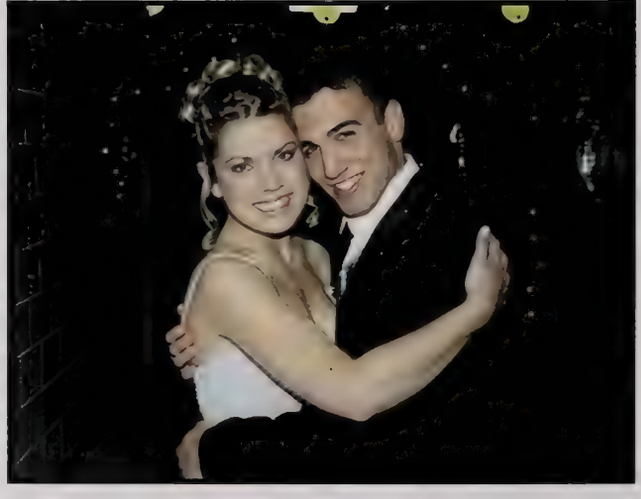
Junior Prom Class of 2002

It's April 28th of 2001,
The junior class is having lots of fun.
It is the prom, the biggest dance of the year,
No one can believe it is finally here!
Mardi Gras madness, the theme is just right,
Everyone is looking "Wonderful Tonight."
We sing, and dance, and eat Chinese food,
Everyone is in a dazzling mood.
The night's finally ending, time sure did fly by,
But memories of our junior prom will never die.



"Our memories of yesterday will last a lifetime. We will take the best, forget the rest, and someday we'll find...these are the best of times."
-STYX

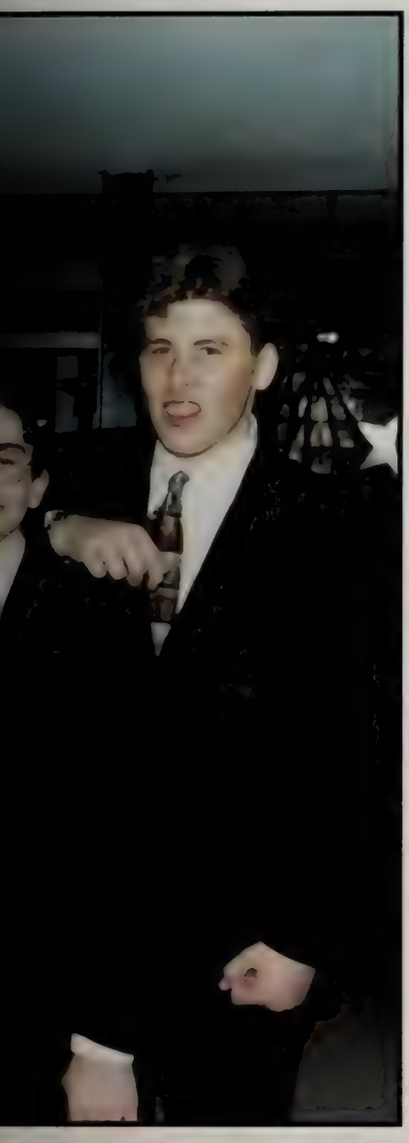


"Time waits for no one. Treasure every moment you have. You will treasure it even more when you can share it with someone special."

-Unknown

Semi-Formal
Class of 2002

The class of 2002 gathered for their Semi-Formal on April 1, 2000. The cafeteria was decorated so beautifully it was hardly recognizable; with sparkling silver stars, we really did feel as though it was "A Night Under the Stars." We spent the time dancing with our friends, and the night was more incredible than we could have ever imagined. The song "Let's Get It On" ended our night, but the memories we made will last forever.



Semi Formal Class of 2003

With the Winter Wonderland as the theme,
The sophomore Semi Formal passed like a dream.
Months of preparation all for one night,
The date, dress, and hair had to be just right.
Corsages, boutineers, and the stars up above,
There was dancing, laughing, and even some love.
The night was so perfect, with no regret,
It is a night that we will never forget.

In Memory of...

Spend all your time waiting for that second chance
For the break that will make it okay
There's always some reason to feel not good enough
And it's hard at the end of the day
I need some distraction, or a beautiful release
Memories seep from my veins
Let me be empty and weightless and maybe
I'll find some peace tonight.

In the arms of the Angel, fly away from here
From this dark, cold hotel room, and the endlessness that you fear
You are pulled from the wreckage of your silent reverie
You're in the arms of the Angel; may you find some comfort here.

So tired of the straight line, and everywhere you turn
There's vultures and thieves at your back
The storm keeps on twisting, you keep on building the lies
That make up for all that you lack
It don't make no difference, escape one last time
It's easier to believe
In this sweet madness, oh, this glory and sadness
That brings me to my knees.

In the arms of the Angel, fly away from here
From this dark, cold hotel room, and the endlessness that you fear
You are pulled from the wreckage of your silent reverie
You're in the arms of the Angel; may you find some comfort here.

In the arms of the Angel; may you find some comfort here.

Bennett Alper

The Sound of Laughter Silenced

I have never remembered a full day before, only moments; except for one day, April 10, 1999, the day my most beloved friend, Bennett Alper, took his life. The events for that day will be forever engraved in my mind, never to be rewritten or erased.

An instantaneous pain from a powerful blow struck the hearts of all those who loved him or were merely aquaintances, which left us gasping for air. Not a breath could be spared to create the melodious sound of laughter, once filling every room. Bennett had a contagious laugh, one so infectious it brought a smile to my face even on the darkest of days. He brought genuine joy to all the lives he touched, one so real, life could not be pictured without it.

Moments of fear were extinguished by his amazing capacity for courage. Any obstacle could be overcome with him by my side. He filled me with the sense of euphoria in times of great turbulance. Bennett had the extraordianry power to calm a raging storm.

After Bennett passed, life was split into two intervals: one before and one after the incident. That was the amount of impact he created on the lives he touched. His presence had become a neccesity, for he was the one to intoxicate us with delight. Not a day goes by in which thoughts of him do not flood my mind. I only wish that every one could have had the privilege of knowing him, for his friendship was and still is the greatest gift I have ever received. He will be forever remembered in our hearts as someone who spread true joy and happiness to the world around him. Only now have I realized that heaven is not only in the clouds, but also in my heart. A swarm of black clouds covered the shining sun. Never had the clouds created such pure darkness, but even behind the darkest of clouds the sun still shines and will one day be revealed.

Community Service

Each year the students of Sharon High School participate in several community service programs throughout the school year. At every school dance the school offers to collect canned goods for local food pantries. A number of seniors participate in an internship program, which involves forty hours of service per participant. Other school-wide events include Halloween for the Hungry, Blankets for John, City Year Serve-a-thon, elementary school tutoring, and our annual Blood Drive. We are proud to be so actively involved in our community.

Halloween

Candy, costumes, and lots of fun
Describes Halloween of 2001.
There were toll booths, workout girls,
and Winnie-the-Pooh,
Biker babes, smurfs, and the
cave people, too.
The hallways were decorated with things
that caused fear,
What are you going to be next year?

THE BATTLE

Arts Week, 2001

Sharon High school held its first "Arts Week." The Unified Arts, consisting of music, drama, and art departments, put their collective talents together. It was a fantastic week-long celebration of all the arts, featuring both formal and informal performances. Ms. McNamara led choral groups while many students chose to "step up" to the mike in our "coffee house" held in the library. Several drama students chose to do humerous improvisations to entertain us. Ms. Dennis' students wrote their own plays and directed their peers as they performed these works flawlessly. There were also outstanding instrumental music performances led by Mr. McGee.

Art work by students and staff adorned the hallway, foyer, and library walls. It was a gallery atmosphere as people browsed and enjoyed refreshments between performances.

Throughout this week many art students partook in the creation of a tape mural on the outside of the building and the decoration of the sidewalks with chalk. Although these artworks were temporary, they drew much postivie attention from passersby and classmates! Arts week was a well received idea that inspired the students' creativity, entertained family and friends, and was the start of a wonderful tradition.

Homecoming

October 20, 2001 was an exciting day at Sharon High School this year! The morning was filled with a fun carnival complete with food, games, music, and contests. The bleachers were packed in the afternoon for the football game against the Stoughton Knights, and Sharon spirit was truly in the air. More fun arose at half-time, when the Homecoming kings, queens, and senior court were announced. The freshman chose Dave Beckerman and Danielle Kneppel, the sophomores elected Scott Tanzer and Heather Fortuna, and the juniors voted Kevin Auguste and Fallon Lev as their kings and queens. The senior court included Greg Schantz, Brandon Stein, Lee Brine, and Randy Ofori, as well as Kelly Summerhayes, Randi O'Hara, Rachel Pransky, and Carrie Sondheim. Ben Truboff and Lucie Snow received the honor to be the senior Homecoming king and queen. The seniors also won the float competition for their immense American flag and eagle float. Finally, a night of dancing and spirit followed at the high school. The combination of a great new DJ and an amazing performance by a live band comprised of high school students made the night unforgettable. The day made so many memories that shall truly last a lifetime!

"We're captive on a carousel of time. We can't return, we can only look behind from where we came, and go round and round and round in the circle game." -Joni Mitchell

Our ride took off at three separate schools,
Where we made our first friends and broke our first rules.
As cartwheels, bike wheels, and bus wheels spun round,
We grew up feeling so safe in our town.
Kindergarten to sixth grade made elementary years complete,
So we moved onto middle school with new friends to greet.
Three schools joined as one, and our ride chugged along,
We were independent, mature, and, of course, never wrong.
We thought we knew everything without any doubt,
We saw Sharon as boring and could not wait to get out.
Sooner than we knew, we arrived at Sharon High,
Amazed by how fast the four years would pass by.
Involved in sports and clubs, we had lots to do,
Leaving the mark of the Class of 2002.
Now our time has come to move forth on our ride,
Heading toward the spaces open and wide.
It's Been Quite A Ride together through the years,
And we'll always cherish these
times with our peers.

Freshmen look forward to their first Homecoming, pep rally, and final exams, as well as joining the various clubs the school has to offer. Sophomores and Juniors look forward to attending their Semi-Formal and Junior Prom. They become stressed as their work load drastically increases. GAP

Sports

Running, passing, and dribbling the ball,
We played sports in spring, winter, and fall.
With competition, teamwork, and lots of fun,
No one ever wanted a season to be done.
The captains worked hard, and the coaches were great,
But every athlete made each season first rate.
Football, wrestling, lacrosse, and swimming,
Spirits were high, whether losing or winning.
On the field, on the track, or on the court,
We put up a fight in every sport.
Whether rain or shine, warm or cold,
We played hard and determined for the maroon and gold.

Boys' Tennis

The Sharon High Boys' Tennis team completed another wonderful season. Led by co-captains Zach Harris and Max Baigleman and senior Dan Apfel, the team posted yet another perfect 16-0 Hockomock League record. The team set a number of records, including passing Reading's track with 273 straight league wins, the longest league-winning streak in the state's history. The team was Bob's Stores' team of the month, and they went on to make the South Sectional Finals before a disappointing loss in a very close match. Next year promises to be a great season with seniors Jared Coggan, Mike Thaler, Mark Gerner, and Andrew Gordon with the leadership of Coach Ron Holt. Good luck next year in keeping the streak alive!

The Girls, Tennis team had an outstanding season in the Spring of 2001. Everyone came out each day giving one hundred percent. The season got off to a slow start due to the weather, but as the snow melted, they quickly rose to the top. Through hard work, dedication, and team effort from all, the girls had an excellent record of 18-3. The whole team appreciated Coach Banno's devotion and endless effort. The late and endless practices surely paid off for the girls, as they had a very successful season. Led by captains Amy Coran and Jen Wise, the girls completed the goals they set out to achieve. They were Hockomock League champions and made it to the semi-finals of the state tournament. Future captains Amanda Fine, Jess Garnitz, and Sarah Luchner are all confident that the girls will have an even more successful team. They are all looking foward to another strong season.

Boys' Soccer

Although the Sharon High Eagles Varsity Soccer team began the year with a slow start, by the end of the season they were right back in the hunt for a post-season slot. Led by tri-captains Randy Ofori, Matt Brown, and Matt Kawadler, the Eagles fought their way out of a hole the entire second half of the season, missing the tournament by only one game. Randy Ofori, the league scorer, was named a Hockomock League All-Star as well as the MVP for all of Division II South. Seniors Jason Goldstien, Adam Calderon, Jason Rodrigues, Adam Kubin, Neal Freed, and Ari Goldschneider all contributed to the leadership, energy, and enthusiasm expressed by the entire squad and their captains. The Eagles would like to give an extra special thanks to Head Coach Alan Howie, Assistant Coach Barry Kaye, and Team Manager Allan Motenko, for their constant hard work and encouragement.

Volleyball

Coach David Philips could not have asked for a better group of girls for his 2001 Varsity Volleyball team. Led by senior co-captains Hilary Schneider and Jess McSharry, the team reached new heights this season, ending with a 13-5 record. The girls served, bumped, set, and spiked their way into the South semi-finals, the furthest round of the state tournament that Sharon has ever reached in the history of the volleyball program. With a little help from "Z", Irv Zeman, volleyball remained the last standing girls' sport of the season, with the best record of all of Sharon's fall teams. This year's players also beat various standing records in blocking, serving, and more. Coach Philips was very excited to announce that this year Sharon boasts two Hockomock League All-Star players: Jess McSharry and Stef Rollins. Great job, girls! Good luck next season!

Boys' and Girls' Cross Country

The 2001 Sharon Cross Country Team had a successful and memorable season. Led by senior captains Jon Kassner, Vardhan Srinivasa, Greg Tanzer, Jen Walter, and Oriana Rodriguez, the young team ran its hardest with some of the best times in the state. The two coaches, Mr. Mandell and Mr. Ragona, guided the team to the Coaches' Invitationals and the Class C meets which were held at the esteemed Franklin Park for the use of their cross country course. This proved to be an exceptional experience for all, especially the young participants. The team was about more than winning and running fast times. It was about an understanding and connecting to teammates. Overall, it can be said that this was a rebuilding year for the young Sharon cross country team, but it was certainly an unforgettable season.

Field Hockey

For the 2001 season, the Girls' Varsity Field Hockey team had an amazing year. With a record of 9-8-2, the team made it into the tournament for the second year in a row. The team as a whole contributed to their great success. The two captains, Jess Malcolmson and Heather Bernstein, led the team with intensity both on and off the field. Ms. Decas finished up her 39th season as a coach, and she will be greatly missed. Good luck next year, team!

Football

The Eagles finished 3-7 this season. There were great individual efforts by Matt Kline, Roman James, and Jason Kayce. The Eagles had a great core of seniors who will be missed next year. Seniors Ben Brown, Rudy Walcott, Josh Katz, Justin Davis, Akeem Straker, and juniors Alex Karp and Graham Johnston played both offensive and defensive line. Despite being undersized, the Eagles' defense played well. The defensive backfield included Matt Wilson, Kevin Bright, Greg Miller, Roman James, Kevin Auguste, and League All-Star Matt Kline. Linebackers Ben Brown, Graham Johnston, Dan Rutman, and Henry Appy made most of the tackles for the team. The Hockomock League was especially tough this year, but the Eagle's savored their three hard fought wins over Holliston, Canton, and King Phillip. Roland James, Rick Malcolmson, Scott Blau, and new coaches Burns and Ramsey steadily improved the players' stamina and skills throughout the season. They provided the expertise necessary to help improve the football team's record from last season.

Boys' and Girls' Winter Track

The 2001-2002 Winter Track team had a great season, led by senior captains Jen Walter, Rachel Bloom, Greg Tanzer, Lee Brine, and Vardhan Srinivasa. There were many impressive performances throughout the season and post-season. Meredith Renke won the 55-meter hurdles in the League Meet and was named the Hockomock Hurdles Champion. The Eagles had several other placements in the League Meet, including Rachel Bloom, Jen Walter, Neal Freed, Nicole Riccardi, Katie O'Malley, and the girls' 4 x 400 meter relay team. Many individuals went on to compete in the Class C State Meet, and some even qualified for the All-State Meet. The relay teams worked hard together and ran well all season. Thank you, Richard Mandell, Al Schindelar, and Jason Vernald, for your coaching and help this season.

Boys' Basketball

The Sharon High Boys' Basketball team had a great start to the season. Led by seniors Randy Ofori, Matt Kline, Peter Flynn, and Greg Schantz, Sharon has continued its tradition of being a powerhouse in the highly competitive Hockomock League. With only six returning Varsity players, the underclassmen have done a nice job of working hard and stepping up their play. Coach Jackman, along with Coach Peckham and Coach VanVaerenewyck, worked hard to get the Eagles soaring high once again this season.

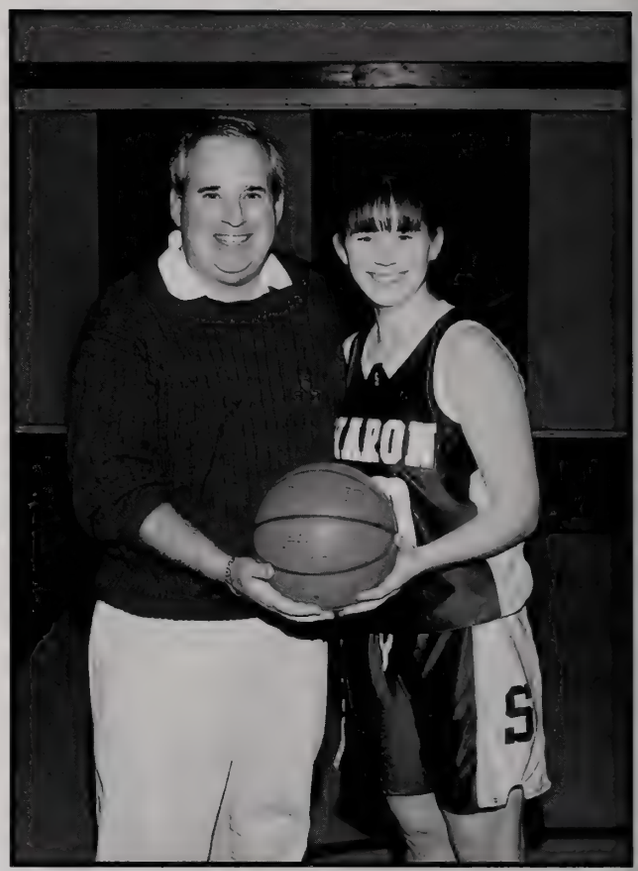
Girls' Basketball



The Girls' Varsity Basketball team enjoyed an exciting season this year. Led by senior captain Jess Malcolmson and juniors Danielle Costello, Suzanne Schwartz, and Shante West, the upperclassmen showed necessary leadership to the underclassmen, which paved the way to the Eagles' success. The team worked hard to achieve success in a very competitive Hockomock League. This season, Jess Malcolmson celebrated her personal achievement of scoring her 1000th point of her SHS Basketball career. The team wishes to thank Coaches Bruce Allman, Joe Cook, and Ann Marie Nee for their guidance and help they provided to all the girls. Best wishes next season!

Wrestling

Sharon High School Wrestling had a successful season. At 10-8 the Eagles faced tougher competition after moving to Division II. For the first time in school history, Sharon beat the Franklin Panthers. Senior captains Matt Wilson, Kevin Bright, and Justin Davis wrestled strong all season. Seniors Wang Sun, Joe Deckro, Hao Chen, and Matt Lenzi provided necessary points in close matches. The team looks to improve next season due to returning athletes, including Graham Johnston, Adam Feldman, Sam Carver, Alex Karp, Josh Wolf, and Derek Cohen. With the help of a great coaching staff the Eagles look to improve their record next year. Feel the power!

Gymnastics

What a team we had representing Sharon High Girls' Gymnastics this season! Led by two junior captains Allison Kublin and Jenna Schlafman, everyone contributed to their overall success. Since the young team did not have any senior teammates this season, next year all the girls will be able to continue their fun and success of this season. Thanks to Susan Rennie for her hardwork and excellent coaching!

Boys' and Girls' Swimming and Diving

This year's team was led by captains Evan Wilson, Ben Huggins, Matt Watstein, and Michele LeRoux. Under their new coach, Ed Sharkansky, this young team continued to improve tremendously. The daily treks to Randolph High School, the location of the Eagles' home pool, and their hard work shown there paid off as the swimmers' times went down. Team spirit was always high thoroughout the season as the Eagles were faced with competitive teams of the Bay Colony Conference. Seniors wish the underclassmen the best of luck for next year.

Grease

On November 15, 2001, the Sharon High School Theatre Company opened its fall musical production of "Grease". Directed by Sandra Dennis and Christine McNamara, the show involved more than sixty-five high school students both acting on stage and working behind the scenes, including student costume designing, choreography, and stage management. Grease also enlisted the help of Jeffrey Goldthwait in set design and construction, as well as Tim McGee for instrumental direction. The show was extremely successful, nearly selling out every performance!

The Pot O' Gold

Who could forget the original children's musical the Drama Club worked on during the winter months? It was the story of Paddie McCormick and his quest to find a leprechaun's pot of gold. Under the direction of Laura Cowan and choreography by Kayla Armstrong, the cast and crew of over fifty students brought the show to life through songs and dances. The leprechauns went on the stage with their red beards and green shirts, and the townspeople spoke with Irish brogues. The technical end of the show was the most elaborate the Drama Club had ever undertaken--state of the art sound and lights created the most intense finale. This musical was one of the best productions ever at Sharon High School.

The theme of the 2002 Marsengold is "It's Been Quite A Ride". Weekly meetings every Wednesday by our hard-working staff members made the yearbook what it is.

Lots of hard work, time, and effort went into the creation of the yearbook. We took pictures, cropped, proofed, made collages, and much more.

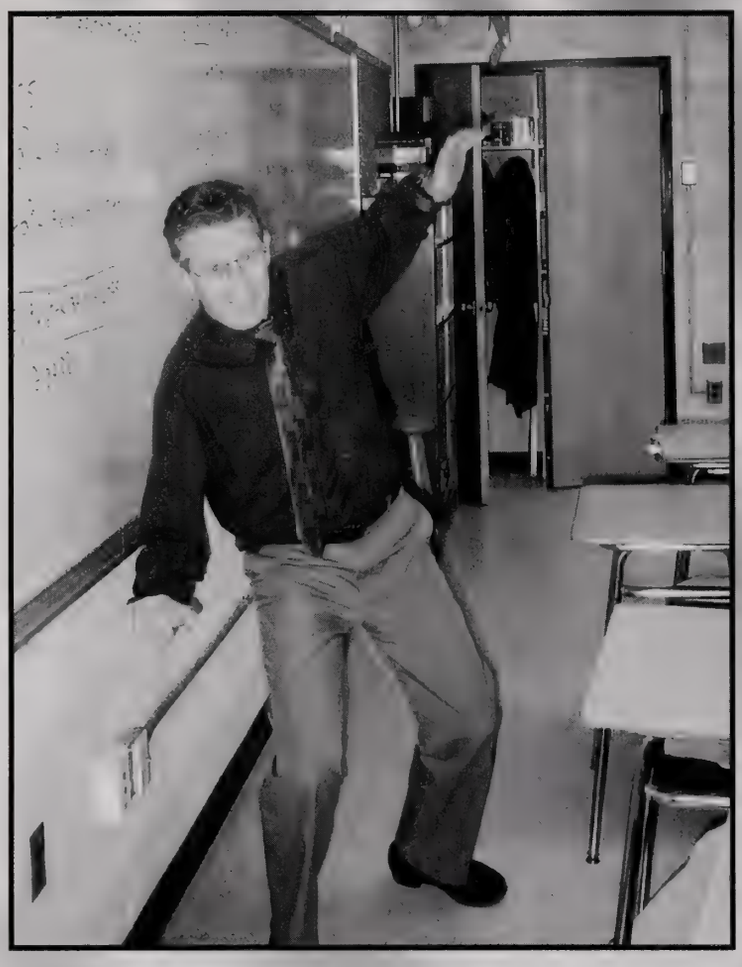
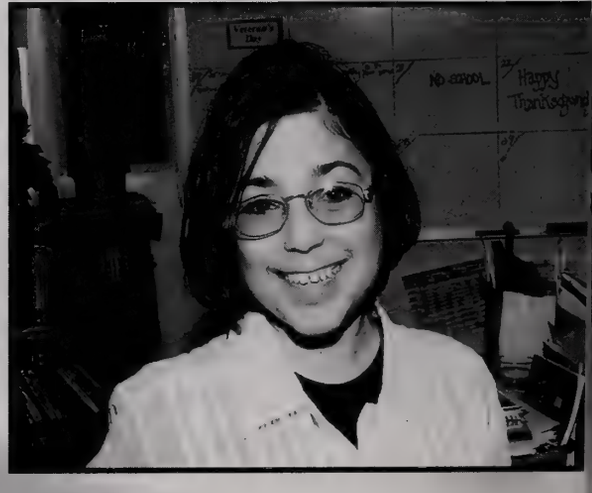
Faculty



The teachers and administrators are the driving force behind Sharon High School. Not only do they teach us basic reading, writing, and arithmetic skills, but they provide life lessons that we will forever carry with us. They have tirelessly helped us through our academic as well as personal problems whenever needed. For their guidance, support, and friendship, we sincerely thank the Sharon High faculty of 2001-2002.



Administration

To the Class of 2002,

I am pleased to write some final words to the Senior Class of 2002 in my "sophomore" year as principal of Sharon High School. It has certainly been a pleasure getting to know members of the class and seeing them represent the school in so many different ways.

You have been fortunate, in your senior year, to have been represented by a group of sincere, dedicated, and hard-working class officers. They certainly deserve a great deal of thanks from each of you. Your appreciation, I'm sure, is also directed to all of your classmates who gave of themselves for the betterment of the Class of 2002.

As you move away from Sharon High School and the town of Sharon, I hope that you will look back upon your four years as a time that not only afforded you an excellent education but also nurtured you to become independent, caring citizens of our nation. The 2002 Marsengold will serve as your source of capturing those four years in a way that will provide you with many hours of pleasure now and in the distant future.

In closing, you should know that your administrators, faculty, and staff of Sharon High School will miss the Class of 2002, but we remain confident that each of you will be successful in all of your future endeavors.

Sincerely,
Dr. George Anothony

To the Senior Class,

This year, perhaps more than any other in recent history, will stand out in your memories as the year in which you really grew up. Graduation from high school is supposed to launch you gently into the next part of your life when you will become responsible adults.

Your transition year will be remembered as one that was not so gentle. I hope, nevertheless, that it will be remembered as one that was memorable for the sparkling and wonderful events that marked it--deepening friendships, growing competence, and fuller understanding of your great potential.

You will take many things with you as you leave Sharon High School. My wish for you is that you take the greatest gift that a fine education can offer, a thirst for learning and for pursuing what is good, what is beautiful, and what is true. Good luck!

Best Wishes,
Dr. Claire Jackson

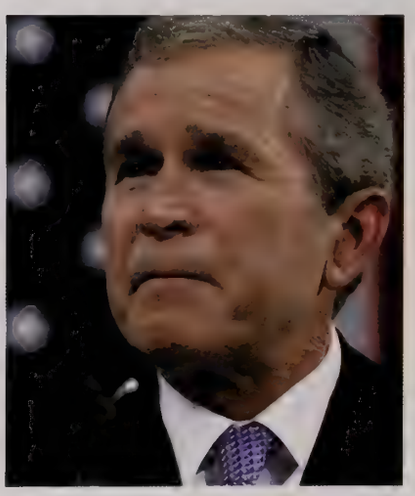
enduring FREEDOM

Tuesday, September 11, 2001, will be remembered as a tragic day that changed the world. That morning, a plot, masterminded by terrorist Osama bin Laden and the al-Qaeda network, was put into action. Two hijacked commercial airliners were flown into New York City's World Trade Center Towers, ultimately causing their collapse. Immediately following the incident, another hijacked airliner crashed into one side of the Pentagon in Washington, D.C, and a fourth plane crashed in Pennsylvania. Thousands of lives were lost, citizens were terrified and the world was in shock.

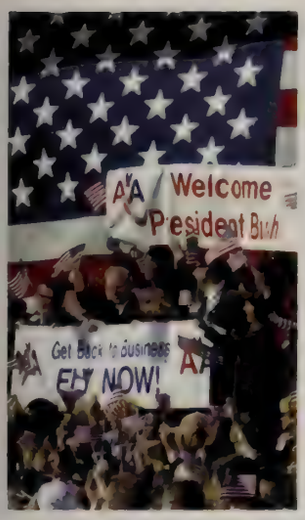
Following that mournful day the United States experienced anthrax scares, continued security threats and the reality of war. Despite the horror, fear and heartache, U.S. citizens united and their patriotic spirit soared. President Bush promised: "We will not tire, we will not falter, we will not fail." Through that statement and the remarkable sense of national pride exuded by U.S. citizens, it became evident that no threat, great or small, could deter the United States resolve for enduring freedom.

World leaders, such as Prime Minister of England Tony Blair, profess their sympathy and support for the United States.

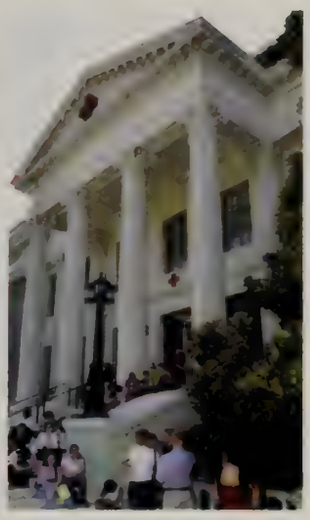
Through his courageous leadership, NYC Mayor Rudy Giuliani becomes known as "Mayor of the World" and was knighted by Queen Elizabeth.



In response to the shocking tragedy, President George W. Bush addresses the nation offering strength, comfort and patriotism.



Ailing airlines urge citizens to defy terrorists' attempts to disrupt lives by reboarding airplanes.



Thousands of people world-wide donate blood and volunteer their services to aid U.S. recovery.

An overwhelming spirit of unity and national pride arises out of the smoldering ashes and human devastation from the September 11 attacks on the United States.
